02581

- (i) the right of the Association to dedicate or transfer all or any part of the Common Elements to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Members. - (ii) the right of the Association to impose regulations for the use and enjoyment of the Common Elements and improvements thereon, which rules and regulations may further restrict the use of the Common Elements;

**ARTICLE IV**

**COVENANT FOR MAINTENANCE AND ASSESSMENTS.**

**SECTION 1. CREATION of the LIEN and PERSONAL OBLIGATION of ASSESSMENTS.** Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner for any Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association (1) annual assessments or charges, (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided and (3) a pro rata share of ad valorem taxes levied against the Common Elements and a pro rata share of assessments for public improvements to or for the benefit of the

02582

Common Elements if the Association shall default in the payment of either or both for a period of six (6) months, as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorney's fees, as provided below in Section 8 of this Article IV, shall be a charge and continuing lien upon the real property and improvements thereon against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who is the Owner of such property on the date on which such assessment first becomes due and payable. The personal obligation for the delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

**SECTION 2. PURPOSE of ASSESSMENTS.**

- a. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and in particular for the facilities devoted to this purpose and related to the use and enjoyment of the Common Elements, including but not limited to, the costs of repairs, replacements and additions; the cost of labor, equipment, materials, management, and supervision; the payment of taxes assessed against the Common Elements; the maintenance of open spaces; the maintenance of any "sign easement" areas located on any Lot, as shown on recorded plat; the procurement and maintenance of insurance in accordance with the By-Laws; and Retention Pond maintenance; the employment of attorneys and other agents to represent the Association when necessary; the provision of adequate reserves for the replacement of capital improvements including, without limiting the generality of the foregoing, paving, and any other major expense for which the Association is responsible; and such other need as may arise. The Association shall be liable for the terms and conditions of the Retention Pond Maintenance Agreement dated March 11, 2004 and recorded in Book 6049, Page 830, in the Office of the Register of Deeds of Guilford County, North Carolina. At the time of the execution of the Declaration, Declarant does not contemplate the location within the Properties of active recreational amenities, such as swimming pools, tennis courts or clubhouses.
- b. The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair and replacement of improvements to the Common Elements and those other portions of the Properties which the Association may be obligated to maintain. Such reserve is to be established out of regular assessments for common expense.

485200

- c. All monies collected by the Association shall be treated as the separate Property of the Association, and such monies may be applied by the Association to the payment of any expense of operating and managing the Properties, or to the proper undertaking of all acts and duties imposed upon it by virtue of the Declaration of the Articles of Incorporation or By-Laws of the Association. As monies for any assessment are paid to the Association by the Owners, the same may be commingled with monies paid to the Association by other Owners. Although all funds are common, including other assets of the Association, and any increments thereto or profits derived therefrom, shall be held for the benefit of the Members of the Association, no Member of the Association shall have the right to assign, hypothecate, pledge or in any manner transfer his membership interest therein, except as an appurtenance to his Lot. When an Owner shall cease to be a Member of the Association by reason of his divestment of ownership of his Lot, by whatever means, the Association shall not be required to account to such Owner for any share of the fund or assets of the Association, or which may have been paid to the Association by such Owner, as all monies which any Owner has paid to the Association shall be and constitute an asset of the Association which may be used in the operation and management of the Properties.

**SECTION 3. MAXIMUM ANNUAL ASSESSMENT.** Until December 31 of the year of the conveyance of the first Lot to an Owner, the Maximum annual assessment shall be Four Hundred (\$400.00) per Lot, and may be collected in monthly, quarterly, semi-annual or annual installments.

- a. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter shall be established by the Board of Directors and may be increased by the Board of Directors without approval by the membership by an amount not to exceed fifteen percent (15%) of the maximum annual assessment of the previous year.
- b. The maximum annual assessment for the calendar year immediately following the year in which conveyance of the first Lot to an Owner is made and for each calendar year thereafter may be increased without limit by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at the meeting duly called for this purpose.

- c. The Board of Directors may fix the annual assessment to an amount not in the excess of the maximum, subject to the provisions of Section 6 of this Article.

SECTION 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVMENTS. In addition to the annual assessments authorized above, the Association may levy, in any calendar year, a special assessment for the purpose of defraying in whole or in part the costs of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Elements, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose. All special assessments shall be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

The Association shall be liable for any special assessment as provided for in the Pond Retention Agreement recorded in Book 6049, Page 830 in the Office of the Register of Deeds of Guilford County, North Carolina.

SECTION 5. NOTICE and QUORUM for any ACTION AUTHORIZED UNDER SECTION 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 of this Article IV shall be sent to all Members not less than fifteen (15) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

SECTION 6. RATE of ANNUAL ASSESSMENT. Both annual and special assessments must be fixed at a uniform rate for all Lots that are subject to assessments and may be collected on a monthly, quarterly, semiannual or annual basis.

SECTION 7. DATE and COMMENCEMENT OF ANNUAL ASSESSMENTS DUE DATES. The annual assessments provided for herein may be collected on a monthly, quarterly, semiannual or annual basis and shall commence as to a Lot on the first day of the month following the conveyance of that Lot to someone other than Declarant. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days in advance of each annual assessment period, the Board of Directors shall fix the amount of the annual assessment and thereafter shall send written notice thereof to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid.

002506

SECTION 8. EFFECT of NONPAYMENT OF ASSESSMENTS: REMEDIES of the ASSOCIATION. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of twelve percent (12%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien created herein against the property in the same manner as prescribed by the laws of the State of North Carolina for the foreclosures of Deeds of Trust, and interest, costs and reasonable attorney's fees for representation of the Association in such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessment provided for herein by non-use of the Common Elements or abandonment of his Lot nor shall damage to or destruction of any improvement on any Lot by fire or other casualty result in any abatement or diminution of the assessments provided for herein.

SECTION 9. EFFECT of DEFAULT in PAYMENT of AD VALOREM TAXES or ASSESSMENTS for PUBLIC IMPROVEMENTS by ASSOCIATION. Upon default by the Association in the payment to the governmental authority entitled thereto of any ad valorem taxes levied against the Common Elements or assessments for public improvements to the Common Elements, which default shall continue for a period of six (6) months, each Owner of a Lot shall become personally obligated to pay the taxing or assessing governmental authority a portion of such unpaid taxes and/or assessments due the governmental authority by the total number of Lots. If such sum is not paid by the Owner within thirty (30) days following receipt of notice of the amount due, then such sum shall become a continuing lien on the Lot of the then Owner, his heirs, devisees, personal representatives and assigns, and the taxing or assessing governmental authority may either bring an action at law or may elect to foreclose the lien against the Lot of the Owner.

SECTION 10. SUBORDINATION of the LIEN to MORTGAGES. The liens provided for herein shall be subordinate to the lien of any first mortgage or deed of trust. Sale or transfer of any Lot shall not affect the assessment lien or liens provided for in the preceding section. However, the sale or transfer of any Lot which is subject to any such first mortgage or deed of trust, pursuant to the foreclosure thereof of any proceeding in lieu of foreclosure thereof, shall extinguish the lien of such assessments as to the payment thereof which became due prior to such sale or transfer. No such sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof, but the liens provided for herein shall continue to be subordinated to the lien of any first mortgage or deed of trust.

SECTION 11. EXEMPT PROPERTY. All property dedicated to and accepted by, a local public authority and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE V

The Owner shall remove dead trees, dead shrubs, and debris from the landscape easement area.
- (ii) No building, fence or other structure shall be built or placed within the landscape easement along Suttonwood Drive. No building or other structure except a fence may be built or placed within the landscape easement in all other areas of the subdivision. Before any fence is built or placed within the landscape easement where fences are allowed, the owner shall submit the plans and specification for the fence and the trees and shrubs which Lot owner proposes to cut and remove.

ARTICLE VI

ARCHITECTURAL CONTROL

SECTION 1. IMPROVEMENTS. No building, fence, wall or other structure, planting or landscaping shall be commenced, erected or maintained or allowed to remain upon any Lot, nor shall any exterior addition to or change or alteration therein, including, without limitation, any planting or landscaping, be made until the plans and specification therefore (which shall be required to show, by way of illustration and not limitation, the nature, kind, shape, height, materials and location of all such items) shall have been submitted to and approved in writing as to all matters including, without limitation, harmony of external design, location, landscaping and elevation in relation to surroundings structures, lot size and shape and topography by the Board of Directors of the Association, or by an Architectural Control Committee composed of three (3) representatives appointed by the Board (the "Architectural Control Committee"). Provided that nothing herein contained shall be construed to permit interference with the development of the Properties by the Declarant so long as said development follows the general plan of development of the Properties previously approved by Guilford County.

SECTION 2. PROCEDURES. Any person desiring to make any improvement, alteration or change described in Section 1 above shall submit the plans and specifications therefore, showing such matters in such detail as the Board of Directors of

002587

002588

the Association or the Architectural Control Committee shall require, including without limitation a detailed showing of the nature, kind, shape, height, materials and location of the same, to the Board of Directors of the Association or the Architectural Control Committee which shall evaluate such plans and specification in light of the purpose of this Article VI. In the event the Board of Directors of the Architectural Control Committee fails to approve, modify or disapprove in writing an application within sixty (60) days after plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have fully complied with. If any improvement, change or alteration requiring approval pursuant to this Article V is not commenced within thirty (30) days of its approval (or the expiration of the 60-day period referred to above, if applicable), it shall, once again, be subject to the approval provisions set forth above. In addition, all such improvements, changes and alterations shall be diligently pursued to completion and, and in any event, construction, change or alteration of dwellings and other improvements shall be completed within six (6) months of commencement of grading or other construction work, with all initial landscaping to be completed within 20 days immediately following such completion.

## ARTICLE VII

Each Owner shall be responsible for all of the exterior maintenance of his or her dwelling, other improvements and Lot, including the painting, replacement and care of roofs, gutters, downspouts and exterior surfaces of buildings and other improvements, and the maintenance and care of the lawn, trees, shrubs, driveways, walks and other exterior improvements. In the event that any Owner neglects or fails to maintain his Lot and/or the exterior of his dwelling in a manner consistent with other Lots, dwellings or other improvements in Sutton Oaks, the Association may provide such exterior maintenance. However, the Association shall first give written notice to the Owner of the specific items of exterior maintenance or repair the Association intends to perform and the Owner shall have twenty (20) days from the date of mailing of said notice within which to perform such exterior maintenance himself. The determination as to whether an Owner has neglected or failed to maintain his Lot and/or dwelling or other improvements in Sutton Oaks shall be made by the Board of Directors of the Association, in its sole discretion. In order to enable the Association to accomplish the foregoing, there is hereby reserved to the Association the right to unobstructed access over and upon each Lot at all reasonable times to perform maintenance as provided in this Article.

In the event the Association performs such exterior maintenance, repair or replacement, the cost of such maintenance, replacement or repairs shall be added to and become part of the assessment to which such Lot is subject.

An easement is hereby established for the benefit of Guilford County and City of Greensboro (as any other person or firm providing services to the properties under agreement with or at the direction of the Association) over all Common Elements as may be reasonably necessary for the setting, removal and reading of water meters, and the maintenance and replacement of water, sewer and drainage facilities and for the fighting of fires and collection of garbage.
